Subject: SKAT's expert witness disclosure pursuant to Pretrial Order No. 36

EXTERNAL EMAIL – EXERCISE CAUTION

Counsel:

Pursuant to paragraph 3 of Pretrial Order No. 36, SKAT identifies Graham Wade and Bruce G. Dubinsky as experts that it intends to call at trial in its case-in-chief. SKAT expects each to testify on the topics of their respective reports with the exception of the portions of Graham Wade's report that related exclusively to dividend refund applications for which the dividend credit advices were generated by ED&F Man. As previously noted in our correspondence, SKAT also intends to call one or more summary witnesses to testify about exhibits offered pursuant to Federal Rule of Evidence 1006, and Mr. Wade and/or Mr. Dubinsky might serve in such a summary witness role.

Regards,
Marc
